*Qualifying purchase amount must be on one receipt. Discounts may result in the qualifying purchase amount not being satisfied. No interest will be charged, and equal monthly payments are required on promo purchase until it is paid in full. The payments equal the initial total promo purchase amount divided by the number of months in the promo period, rounded up to the next whole dollar. These payments may be higher than the payments that would be required if this purchase was a non-promo purchase. During the last month(s) of the promo period the required monthly payment may be reduced due to the prior months' rounding. Regular account terms apply to non-promo purchases. New Accounts as of 8/29/25: Purchase APR 26.99%. Min Interest Charge \$2. One-time Account Activation Fee of \$29 charged at time first purchase posts to account. Existing cardholders: See your credit card agreement terms. Subject to credit approval.
